DAY 7 25/4 HANOI/ SIEM REAP [CAMBODIA]

This morning you may look around yourselves or take the inexpensive optional ½ day sightseeing tour of Hanoi.

Hanoi, a city of lakes, shaded boulevards and public parks, and is the capital of Vietnam. It is a very attractive city with French style buildings and less traffic than other cities in Asia. The ½ day tour includes,

ONE PILLAR PAGODA: built by the Emperor Ly Thai Tong, who ruled from 1028 to 1054. Constructed of wood on a single stone pillar, it is designed to resemble a lotus blossom.

TEMPLE OF LITERATURE: a peaceful series of walled courtyards and graceful gateways, this monument is one of the best-preserved examples of traditional Vietnamese architecture. Founded in 1070 and dedicated to Confucius, this was also the site of Vietnam's first university. In one courtyard, giant stone tortoises bear stelae on their backs, listing the accomplishments of graduating scholars.

HO CHI MINH MAUSOLEUM: This commanding stone monument houses the embalmed remains of Ho Chi Minh, Vietnam's national hero and is a pilgrimage site for many Vietnamese. Visitors file silently past his glass tomb to pay their respects. The Mausoleum is open only in the mornings, and is closed on Mondays and Fridays.

HO CHI MINH'S STILT HOUSE: Near the Mausoleum is the two room stilt house where Ho Chi Minh lived from 1948 until his final days. Visitors also pass the simple three-room bungalow where Ho Chi Minh lived and worked from 1954-8, which has been preserved in the same condition and may be viewed through the windows.

This afternoon our flight VN843 departs Hanoi at 3.10pm and arrives at Siem Reap in Cambodia at 5.05pm. This mystical emerging country with its incredible Khmer history just excites. DAY 9 27/4 ANGKOR WAT

DEP 0830 The Khmer civilisation that centered around Angkor was one of the most remarkable to flourish in Southeast Asia. Between the 8th and 13th Centuries, a succession of Hindu and Buddhist Kings created magnificent temples in stone. Their elaborate carvings and intricate architecture amazed the first Europeans who visited in the 19th Century and continue to fascinate today. Their culture dominated an expansive region in Indochina during those times and these amazing structures are a testament to the power and greatness of the Khmer civilisation. After many years of political turmoil it is now possible to see these unbelievable achievements that have been lost in the jungle for centuries. This is a wonder of the world without a doubt and the second UNESCO Heritage listed attraction of this tour.

Our tour today will take in the best and most remarkable that Angkor has to offer including, Angkor Wat, Angkor Thom, Bayon, Elephant Terrace, Terrace of the Leper King, Ta Prohm.

Whilst playing you are never far away from reminders of the magnificent Angkor Empire as the course features the 10th century stone 'Rolu' bridge, a direct link to the country's glorious past. Our 2 tee start is booked for 10.00am and we have one cart and caddie per player! Tonight back at the Sofitel we have our farewell Dinner in the excellent Mahout's Dream Restaurant.
